TriFound Healthy Education Advocacy Program School Support Grants

Nov 19

Purpose

The Tri-Found Healthy Education Advocacy Program (H.E.L.P.) is designed to promote healthy, active lifestyles among school children in Michigan by supporting the teachers and schools who seek to provide high quality physical education programs

Ten (10) one thousand dollars awards are available for the 2020-21 school year. Through the generosity of Gary and Jill Harris, owners of TriFound, based in Kalamazoo, Michigan.

TriFound Healthy Education Advocacy Program School Support Grant Goals

Nov 19

- Support Physical Education program enhancement through the purchase of equipment, services or products that will positively impact the lives of children through physical activity;
- Promote visibility and support for the provision of high quality physical education events through school-wide health promotion events or programs;
- Provide advocacy events/programs for the provision of high quality physical education events through community health promotion events or programs.
